Product Instruction Manual

Thank you for choosing our products.This manual applies to all general merchandise items manufactured by our company, including yoga mats, hand grippers, shoe racks, shoe boxes, water hoses, storage racks, organizing supplies, gloves, bicycle accessories, and more.To ensure proper and safe use of the product, please read these instructions carefullybefore use.

1.Safety Precautions & Warnings

- Read Instructions : Before use, be sure to read and understand all contents of this manual.
- Children & Pets: Keep the product out of reach of children and pets to prevent risks of choking, entanglement, or impact.Some products may contain small parts.
- Usage Environment: Use the product in a dry, well-ventilated, and flat area according to its designed purpose.Keep away from open flames, high temperatures, or corrosive substances.
- Weight Capacity: For load-bearing products like storage racks or shoe racks, strictly adhere to the specified maximum weight limit. Distribute items evenly and do not overload.

- Assembly Check : For products requiring assembly, ensure all parts are securely and stably installed before use.Regularly check for loose fasteners.
- Personal Safety: Before using fitness products (e.g., yoga mats, stress balls), warming up is recommended.Use according to your own physical condition and ability to avoid injury from overexertion.
- Sharp Edges: : Some products may have slight sharp edges.Handle with care; wearing gloves is advised.
- Defect Handling: If any damage, deformation, or missing parts are found, stop using the product immediately.

2.Usage / Assembly Guide (General)

1 Unboxing & Inspection: Open the packaging and check all components, accessories, and the manual against the packing list.

2 Preparation: Clear the assembly or usage area to ensure sufficient space and a stable base.

3 Refer to Diagrams: If assembly is required, follow the provided illustrations or steps.General steps: Connect the main frame → Secure support pieces → Attach panels or accessories → Final check and adjustment.

4 Simple Test: After assembly or placement, perform a simple stability or function test.

5 Normal Use: Use the product normally according to its designed function.

3.Cleaning & Maintenance

- Cleaning : Wipe the surface with a soft, damp cloth.For fabric or leather parts, use a mild neutral cleaner.Avoid strong acids, alkalis, or abrasive cleaners.
- Maintenance: Regularly check the product structure for stability.Keep metal parts dry to prevent rust.Avoid prolonged exposure to direct sunlight or extreme temperatures for plastic/rubber items to prevent aging.
- Storage: When not in use for extended periods, clean and dry the product thoroughly, then store it in a cool, dry place.Foldable products should be stored folded as instructed.

4.Troubleshooting (Common Issues)

Phenomenon	Possible Cause	Suggested Solution
Product is loose or unstable	Improper assembly; Loose screws; Uneven floor surface	Re-check assembly steps, tighten all fasteners; Place on a flat surface
Malfunction (e.g., zipper, buckle)	Obstruction by foreign object; Damaged part	Clear the obstruction; Contact after-sales service if damaged
Surface stains	Dirt from daily use	Clean according to "Cleaning & Maintenance" section
Missing/Damaged parts	Transportation or packaging issue	Stop use and contact the seller immediately with photos
